

Name of Branch: Fairacres Women's Institute

Location: No idea; however, I suspect it was in central Alberta near Oyen [see the URL in Sources below] where there was a Fairacres School. Since many WIs were named for the school districts they were in, this is a possibility.

Organized: c 1916. The only information I have found on this WI is a simple listing of its existence in Cole and Larmour. While they list organizational and disbanding dates of most WIs, they do not cite their sources for those dates.

Charter Members: n/a

First Executive: n/a

Disbanded: c 1924
